

# SSE Work Experience Application

Babcock's Submarine Support Engineering team are offering a week of work experience learning about a broad range of STEM subjects.

## **The week will include:**

- Talks about different disciplines including Engineering, Data Analytics and Project Management.
- Practical challenges to test your problem solving and teamworking skills.
- First hand experience working in the Defence Sector and networking with experts in their field.

Where: Babcock Technology Centre,  
BS16 1EJ

When: 29<sup>th</sup> June to 3<sup>rd</sup> July 2026

Who: Open to all Year 10 students

If you have an interest in a career in STEM, particularly in the Defence Sector, then please apply using the link or scan the QR code below.
