Please note there are no clubs, including homework club, on the following dates:

- Thursday 12 March
- Monday 23 March
- Thursday 26 March

## Flying Start Success!

As part of their extra-curricular activities, Year 7 teams have been working on their gliders in the past few months in collaboration with outside aerospace industries.

They entered a “fly-off” with other schools in and around Bristol, earlier this week, and two of our teams have qualified for the finals, which will be held at Fleet Air Arms Museum at Yeovilton in March.

## Road Safety

Please be reminded not to park near the school gates, on yellow lines or on pavements. Doing this presents a very serious risk to our students.

Concorde Drive gets very busy at the start and end of the day and awareness of this is crucial. If possible, please park elsewhere and encourage your child to walk a short distance.

If your child travels to school on a scooter, please remind them to be mindful of other pavement users in the community. Some of the nearby pavements are narrow, and groups of scooters can take people by surprise.
