

OVERVIEW:

All students at Bristol Free School will have an aspect of their careers education delivered through the tutorial curriculum. It is our intent to educate students about Careers throughout the journey at Bristol Free School, so it gives them the best opportunity to make informed career choices. Thus, every student at each Year group will have a dedicated term of career lessons delivered through tutorial.

Students will make an educational journey covering the core aspects of careers through the tutorial curriculum and will study the following themes:

- **Year 7- Introduction to the World of Work-** *students will explore the different sectors of career pathways and learn about different job roles.*
Delivery= Term 6

- **Year 8- Employability and Entrepreneurial Skills-** *students will learn about the key employability skills and will reflect on their importance and how they can improve their own skills.*
Delivery= Term 4

- **Year 9- Careers and GCSE options-** *students will learn about how their GCSE options can be linked to different career pathways. They will also be supported about their GCSE options.*
Delivery= Term 2

- **Year 10-World of Work-** *students will learn about the world of work by exploring different job sectors and learning about the applications into the world of work such as cv writing.*
