This is a chance to develop your communication skills, empathy, teamwork... and may even lead to a trip or two to debate with other schools at local or national events. Come along, change the world and be the future of international diplomacy!

Cipher Club

No-one knows what Charles Dickens said to the US president when they met in 1868. A tale of 2 secrets is this year's National Cipher Challenge theme, run by the University of Southampton. Take part in the challenge with BFS as we learn to break ciphers to unravel the storyline. This club is open to all, especially those who like Maths and problem solving!

Science Club

Unleash your inner scientist! From forensics to space travel, engineering to zoology, get hands-on with scientific investigations, experiments, games, and competitions!

Books and Babble

A reading book club for those of us who like to get cosy and read some good books. We choose a book to read together and sit back and listen while the story is read aloud to us. We also have a good chat about the story, the characters, the plot, our plot predictions and all sorts of other things in between. All students are very much welcome to join.

Dungeons & Dragons Club (S)

Are you a budding dungeon master? Inspired to embark on an unknown venture? Then D&D Club is the place for you. Bring your D&D dice and your imagination.
