Dear Parent/Carers

### **Year 11 Art and Non-Examined Subject Sessions: Friday 3 December 2021**

As you will be aware, Friday 3 December 2021 is an INSET day. In order to provide additional time to complete some non-examined assessment units we are inviting selected students from Year 11 into school on this day so that they can be supported by their subject teachers.

The timings and details of each session have been made available to students during the Mock series and are available for students to view as an announcement on **Class Charts**.

Students should arrive at the **Concorde Drive Carpark entrance** for the start of their session where they will be welcomed onto the school site. They do not need to wear school uniform but must wear appropriate clothing to complete work in these subjects. Most sessions finish by 12.30pm at the latest.

Students will not be able to go off and come back onsite throughout the day so should bring a snack, water bottle and all equipment required for the day. Those invited to Art will remain until 3pm so should bring a packed lunch.

If your child is entitled to free school meals, they will be able to collect a packed lunch from the Dining Hall during the morning.

We hope this offers a valuable opportunity for your child to dedicate time to these subjects.

Yours sincerely

Mr J Fernandes  
Deputy Headteacher
