A NOTE FROM MRS KING

Dear Parents, Carers, and Students,

Welcome Back – A Year of Opportunity at BFS.

As we begin 2026, we are delighted to welcome all our students back for what promises to be an exciting and successful year. The start of a new term is always a time for fresh intentions and renewed focus, and we are committed to ensuring that every student makes the most of the opportunities ahead.

We are proud to share some fantastic news: BFS has been ranked 4th among state schools in the South West in The Sunday Times Parent Power Guide, making us the top-ranked state school in Bristol. This achievement reflects the hard work and dedication of our students, staff, and families, and it means that BFS is widely recognised as a school of excellence. This reputation will benefit our students as they progress to university, apprenticeships, and future careers.

Our success is built on three key pillars:

- **A strong sense of community** – We value kindness, inclusivity, and belonging.
- **High ambition and expectations** – We set the highest standards for learning and conduct, and encourage students to push themselves beyond what they thought possible.
- **Outstanding learning and wider opportunities** – From exceptional teaching to enrichment activities, we aim to develop well-rounded young people ready to thrive in life.

This term, we are reinforcing our high expectations around uniform, punctuality, and behaviour, as these standards underpin a positive learning environment. We also continue to offer a wide range of opportunities through the BFS Promise, including extra-curricular clubs, cultural trips, careers talks, and the Digital Competencies Award. These experiences help students discover their interests and develop essential skills for the future.

We encourage parents to support these expectations at home and to encourage their children to take full advantage of the opportunities available. Together, we can make 2026 a year of growth, achievement, and pride for every student.

Thank you for your continued support, and we look forward to working with you to make this the best BFS year yet.

Warm regards,

Mrs S King
Headteacher

Year 7 - Wednesday 25 & Thursday 26 February

Year 10 - Wednesday 10 & Thursday 11 June

NEEDED

We would love to have as many empty chocolate tubs as possible. They are really useful in the Food Department for students to take their food home in after they have cooked in lessons. Thank you.

ABSENCE PROCEDURES

ATTENDANCE

My child is ill:

- Check with NHS guidance to see if your child is able to attend. [Is my child too ill for school? - NHS](#)
- Use the free Studybugs App [Studybugs – Parents](#) or phone 01179597200 (option 1) before 9am to let us know if your child will not be attending.

My child has a medical appointment:

- Please book appointments outside of school hours where possible.
- Email admin@bristolfreeschool.org.uk with evidence of the appointment and pick up and return times at least 48 hours prior to the appointment.
- Students are expected to attend school before and after appointments.
- Collect students by buzzing the car park gate.

Planned exceptional circumstances absence (e.g. funeral or participation in elite sport):

- Use the absence request form [Absence Form Link](#) to request absence (ideally 2 weeks in advance).

Holiday:

- Term-time holidays will not be authorised. Please do not book term-time holidays.
- We work with Bristol City Council to issue fines and prosecutions for unauthorised absences.

The Children's Commissioner has recently published a guide for parents on supporting their children's digital lives. It reflects the complexities of young people's online habits and what they are saying about their lives online. Schools already spend a significant amount of curriculum time teaching students about online tools, digital literacy and e-safety. With this guide, the Commissioner has further tried to capture some practical advice and strategies for families seeking to support their children at home.

The guide can be viewed [here](#).

We look forward to welcoming parents and carers to our online **SEND information evening on Wednesday 14 January at 5pm**. This is an opportunity to find out more about SEND provision at BFS including classroom support and beyond. If you are a parent/carer of a child on our SEND register you will be emailed a link to join the meeting. If your child is not on the SEND register and you would like to join the meeting, please email sen@bristolfreeschool.org.uk.

COMPUTER SCIENCE

YEAR 8

CyberFirst Girls Competition Success!

We are incredibly proud to share some exciting news from the CyberFirst Girls Competition 2025, a nationwide challenge designed to inspire young women to explore the world of cybersecurity. This year, more than 500 schools from across the country took part - making the competition more competitive than ever.

Despite the tough national field, BFS achieved an outstanding result, securing a place in the top ten schools in the South West. This is a fantastic accomplishment and reflects the growing strength of computing and digital skills within our school community.

A special congratulations goes to our brilliant Year 8 team, *Talented Innovators*, who achieved a top ten regional placement. Their creativity, teamwork, and problem-solving skills truly shone throughout the competition.

Huge congratulations to:

Ivy (8TG3), Maddie (8TG2), Ava A (8TG2), Sophie M (8TG3).

This is a remarkable achievement, and we are immensely proud of their hard work, perseverance, and passion for cybersecurity. They have set a fantastic example for other students and demonstrated what can be accomplished with dedication and a love for learning. Well done, Team Talented Innovators, and well done to Carmen, Carmen PV, Pippa, Mia, Emily, Holly, Hattie, Izzy, Amy, Lyra, Sienna, Serah and Evelyn for participating in the competition.

BOOK REVIEW

The Boy I Love by William Hussey

Review by Miranda, Year 10

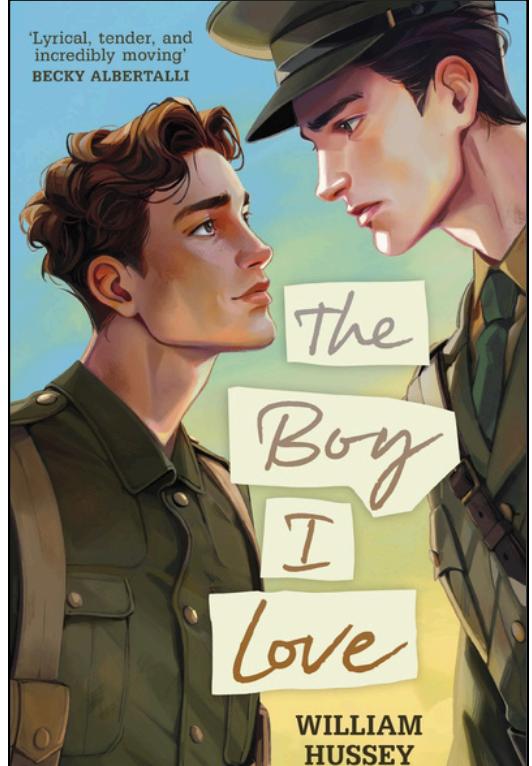

The Boy I Love is an incredibly moving historical romance novel set during the build-up to the Battle of the Somme in 1916. The central themes explore the forbidden nature of love and identity during a time of intense conflict.

The story follows 19-year-old Second Lieutenant Stephen Wraxall, an exhausted veteran haunted by loss, who is returning to the French trenches. He quickly develops a deep, profound connection with Private Danny McCormick who is a spirited new recruit.

The story is dramatic and tense with the countdown to the 'Big Push' at the Somme creating a sense of urgency and fear for the pair.

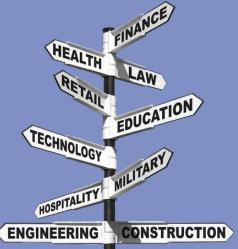

Stephen and Danny are beautifully written characters with their contrasting personalities (Stephen's loneliness versus Danny's mischievous spirit) resulting in a powerful and moving dynamic and the harsh reality works in harmony with multiple instances of genuine hope and kindness.

The story is a powerful and tear-inducing read, which through its very vivid and near accurate depiction of being gay in the army, emphasises the importance of love against death and social condemnation. I hope you like it.

COMMUNITY AND ANNOUNCEMENTS

THE ARDAGH YOUTH NATURE PROJECT

We're excited to be partnering with Action for Conservation (AFC) — a UK charity empowering young people to become environmental leaders. Together, we're offering a project that combines nature connection, creativity, and youth-led action to support your wellbeing and the planet.

You'll get the chance to explore the outdoors, learn new skills, and create an environmental action project as a group.
