Your views—a request from Bristol Council

The council are gathering views about youth violence in order to develop a plan to reduce youth violence, use of knives and drug activity in Bristol.

Taproot Ltd has been appointed to gather the views.

The council want to know people's worries, ideas and suggestions as a person living or working in Bristol. They are sending surveys to young people, parents and carers and people who work with families, and have asked us to share the links with you.

The surveys are online at the following links. The survey closes on **3 January 2020**.
