

Economics Transition Task

Fill in the following table in detail – this will form the basis of discussion throughout the course. (copy and paste into a separate document and add detail – the boxes are too small here)

Key term	Definition	UK/Global figures	How this can affect UK businesses
Interest rates			
Exchange rates			
Inflation			
Income tax			
Corporation tax			
Vat			
Unemployment			
GDP			
Equality			
Average income			
Demand			
Supply			
PED			

Task 2

Write a report explaining how inflation can impact the UK economy and businesses

Structure of your essay:

- a) Introduction- Define what is meant by inflation, what is the current rate of inflation. Who is in charge of trying to control inflation.
- b) Explain the potential negative impacts of high inflation to the UK economy and businesses
- c) Explain the potential positive impacts of inflation to the UK economy and businesses
- d) Conclusion- give your own personal view in regards to inflation. (consider evaluation points like it depends on the type of business and the rate of inflation)
